

Resco for NGOs

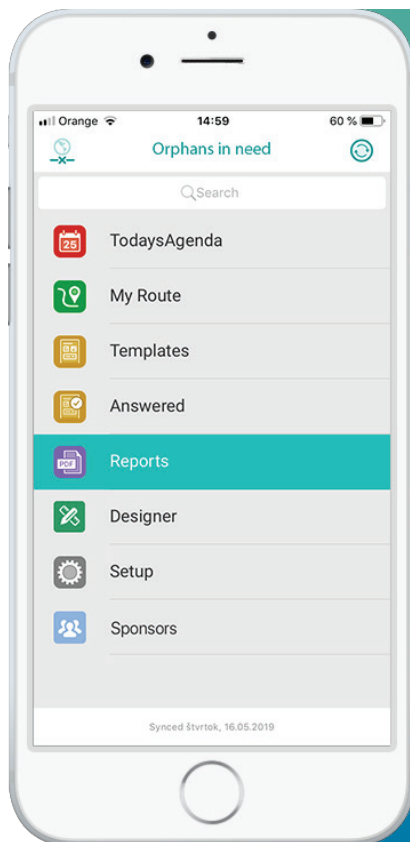

Deliver exceptional offline experience in the field

Create custom mobile apps for Salesforce to suit any charity activity

"We absolutely love the app! We are just wondering how we managed without it. We use Resco with Salesforce to track the progress of orphans and those in need – so that sponsors are able to see information and pictures of the children they support. Resco has made job in the field so much easier."

– **ALAN WENT**, Managing Director at Love in Action, a charity organization that provides support, education and care for orphans and families in need in Uganda

100+ features

Any NGO use case

All platforms, all devices

100% Offline

Offline reports

Offline media & documents

Digital signatures

GPS, Route Planning

Editable dynamic check-lists

How can business mobility help those in need?

- **Fundraising:** analyze your pipeline in the field, integrate email campaigns
- **Event Management:** use drag & drop calendar, track your meetings, create charts of your preference, generate offline reports for your team
- **Volunteer Management:** create tasks, schedule shifts, track volunteer actions
- **Donor Management:** 360-degree review of all donors, the whole history, analyze their activity, call, email them directly from the app
